Mr. and Mrs. E. P. Nash and Mr. and Mrs. L. D. Carpenter were elected as delegates to attend the county convention at Grand Rapids Tuesday.

At the next Grange meeting Thursday, October 12 the same program as announced for last time will be given. Those to take part please bear it in mind. Lecturer.

Says Drink Water
If You Wish to Grow
Fat and Plump

THIN MEN AND WOMEN

Do You Want to Get Fat and Strong?

The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomach or stuffing it with greasy foods, rubbing on useless "flesh creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract properly assimilates the food you eat. Drink a glass of cold water four or five times a day and take the following preparation known to reliable druggists almost everywhere, which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This preparation is called tonoline, and much remarkable testimony is given as to its successful use in flesh building. Tonoline which comes in the form of a small non-injurious tablet, taken at meals and mixed with the digesting food, tends to prepare fat, flesh and muscle building elements so that the blood can readily accept and carry them to the starved portion of the body. You can readily picture the transformation that additional and previously lacking flesh making material should bring your cheeks, filling out hollows about your neck, shoulders and bust disappearing, and your taking on from 15 to 30 pounds of solid healthy flesh. Tonoline is harmless, inexpensive, efficient. All druggists have it and are authorized to refund your money if weight increase is not obtained as per the guarantee found in each large package.

Caution:—Tonoline is recommended only as a flesh builder and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain in weight is desired.—adv.

IF YOU ONLY KNEW

that you could have those old badly decayed roots and teeth out without torture you would not delay any longer. Ask your family physician what it means to your general health to keep a mouth filled with old roots discharging pus more or less. We will take them out for you so easily without sleep-producing drugs you will have no fear. We have many patients from western Michigan sent by those who know. We make full sets of teeth without plate covering roof of mouth, which are a great success and can give best of references. Call and see us. C. D. Owens, Inc., Dentists. Dr. J. A. Jarvis, Dr. F. C. Jarvis, 106 Monroe opposite Herpolsheimers. Open Monday, Tuesday, Thursday, Saturday evenings, Sunday 10 to 1. Both phones.—adv.

Free Musical Concert.

Yourself and Friends are invited to attend the October Record Demonstration

FRIDAY Afternoon
And Evening, Oct. 6th
at 2:30 and 7:30 O'clock

When we will play All of the October Records Made by the World's Greatest Artists, Like, Caruso, Melba, Scotti, McCormick Etc.

A Performance As Is Never Witnessed in
The World's Greatest Opera Houses.

No management could afford to pay the thousands and thousands of dollars necessary to engage all these artists for a single performance, even if such a thing were possible. And yet you can command their services on the Victrola and have them sing their greatest arias and enjoy their voices just as much as though you heard them in person.

At Ray H. Waldo's Jewelry Store.

We will Test Eyes and Fit Glasses up to 2 o'clock p. m. after which we will give all our time to our Concert. We can not be here this week Friday, September 29th.
